

Your Logo Our Elearning

Would you like to offer your clients an alternative to the traditional 2 day paediatric first aid course?

With elearn here you can offer the blended paediatric course with our elearning but YOUR company logo.

Benefits of our Paediatric First Aid Elearning Module

- branded with your company logo and contact details
- complies with EYFS guidelines
- appeals to all learning styles with interactive quizzes, video and audio features
- allows learners to work at their own pace, testing their knowledge as they progress through the course
- tests learners on all areas of the Full Paediatric course
- allows you to log in and see your learners' progress at all times
- for enhanced quality assurance, we will provide you with the end of course multiple choice paper so that your learners can be retested during your face to face training
- includes online and telephone support for you and your learners
- no set up fee or minimum order
- only £9.60 including VAT per learner

Well written, well priced and fantastic feedback!

“I loved doing this training . The best thing was that I could do it on my own pace and return to any topic whenever I wanted. This method really helped me embed the knowledge in my brain.” - Millie G 03 March 2018

“Great course, everything is clear and video’s are fun to watch!” - Alina G 26/02/2018

“The First Aid Zone are proud to deliver blended paediatric training courses. We have our own branded course using the elearn here online module. Courses are very successful and we receive excellent feedback from our students. The online course is easy to follow and students progress well at their own pace and achieve very good learning outcomes.” - Stella Swindells, The First Aid Zone
